

Apple Mints is an indica-dominant hybrid cross of Sour Diesel and Pure Kush. This mood enhancer has sedative effects good for the end of the day. Uplifting and calming with a minty and pine aroma. Sweet and creamy flavours of vanilla and spice. Worth a try.

Sativa: 30%      Indica: 70%

THC: 20-24+ %      CBG: -- %

Dominant terpenes:

Rx: Pain, depression, anxiety, anti-inflammatory.
