

Coochie Runtz is a hybrid strain made through a cross of Runtz and another unknown strain. Coochie Runtz debuted in 2022 and has quickly become high in demand among connoisseurs. This strain tastes like a premium Runtz with lots of grapey, gassy, and Gelato flavors. It has a nice relaxing hybrid indica effect. Sells out quickly, hard to get.

Sativa: 00% Indica: 00%
