

Euphoria, is a cannabis strain bred from skunk strains in the early 2000s by Amsterdam's Dutch Passion Seed Company. It's won numerous awards including 2nd Place in the sativa category at the 2000 High Times Cannabis Cup, and a Best Seeds High Life Cup in 2002. The aroma is sweet and more citrus and piney than skunk, with a great flavor. Effects are upbeat, social, and energetic. This strain performs just as expected and promotes a sense of well being.

Sativa: 50%    Indica: 50%

THC: 15-20%    CBG: 1%

Rx: Energy, mood, & well being, chronic pain, social anxiety, depression, nausea.

Dominant terpene: Mycrene
