

Georgia Pie is an indica dominant hybrid created by Seed Junky Genetics crossing Gelatti and Kush Mintz. It has a flavorful fruity smell with hints of earthy herbs. Think peach cobbler with a few cherries and nuts. It delivers a relaxing body high that is uplifting and tingly. Euphoric. Prepare for the munchies and a nap.

Sativa: 40% Indica: 60%

THC: 25-27% CBD: 1-3%

Dominant terepene: Ocimene

Rx: Muscle spasms, pain, fatigue, insomnia, aphrodisiac.
