

Gorilla Glue, is a potent hybrid marijuana strain that delivers heavy handed euphoria and relaxation. It fills the room with pungent earthy and sour aromas inherited from its parent strains: Chem's Sister, Sour Dubb, and Chocolate Diesel. Gorilla Glue took first place in both the Michigan and Los Angeles 2014 Cannabis Cup, and the High Times Jamaican World Cup. This hybrid's supremacy is no longer a secret. Great for evening use, classic couch lock.

Indica: 60%    Sativa: 40%
