

Grape Pie is an indica dominant hybrid with sugary grape and slightly spicy aromas. It is a cross between Cherry Pie and the Gage Green Group's Grape Stomper. This strain starts with a lightly tingling mind-body euphoric high before gently landing you on the couch. This will put you at ease.

Sativa: 30% Indica: 70%

THC: 22% CBG: 1%

Dominant terpenene: Limonene

Rx: Stress, anxiety, pain, mood swings, depression.
