

Hood Candyz is a hybrid of Runtz and Why U Gelly. It's a sativa dominant strain with a sweet and sour flavor of citrus and sour berries. The aroma exhibits spicy pineapple on the exhale. Hood Candyz comes on strong with a calm uplifting high that resonates through your body, gradually spreading and relaxing you for hours.

Sativa: 60%    Indica: 40%

THC: 27%

Rx: Depression, chronic pain, stress.
