

Mochi, is an evenly balanced hybrid strain bred from Thin Mint Girl Scout Cookies, and Sunset Sherbet. Count on an amazing flavor and aroma of sweet berries and sour mint, with a bit of earthy nuttiness. Expect a euphoric and relaxing high, with deep calm and creativity. A deeply sedative effect will leave you totally relaxed.

Sativa: 50%    Indica: 50%

THC: 21-29%    CBD: 0%

Rx: depression, chronic pain, insomnia, chronic fatigue, stress, and anxiety.

Dominant terpene: Myrcene
