

Tropicana is a sativa dominant hybrid. Pineapple X Kali Mist X Northern Lights #5 by CBX. Flavor is bright citrus with smooth herbal effects. Great daytime smoke, with fast acting and long lasting effects. Enhanced motivation, creativity, sociability, clear headed focus. Buds are beautiful: dark green nugs with amber hairs and frosty white trichomes. Highly recommended.

Sativa: 70%      Indica: 30%

THC: 27-29%

Rx: Chronic stress, anxiety, depression, fatigue, mood swings, hypertension.
